

HOPE FOR RECOVERY

Our Core Values

Our Objective:

- To raise awareness about the issue of substance abuse in India
- To provide resources and support for individuals seeking help and rehabilitation.
- To provide research and evaluation to understand the needs of the target Audience and to improve the effectiveness of their programs.
- To collaborate with other organizations and government agencies to improve access to services and support for individuals.

Our Mission and Vision:

Our mission is to provide the resources and support for individuals affected by substance abuse and to raise awareness about the importance of seeking help and rehabilitation.

Our Mission and Vision:

Our mission is to provide the resources and support for individuals affected by substance abuse and to raise awareness about the importance of seeking help and rehabilitation.

As per our vision, we are committed to help individuals, communities and families achieve freedom from addiction. We desire of a society free from substance abuse.

Our Strategy

Platforms:

Instagram: Use Instagram Stories and IGTV to share personal stories of recovery, the impact of substance abuse on individuals and families, and the importance of seeking help and rehabilitation. Use Instagram Live to host a Q&A session with a substance abuse counselor or a recovered individual. Use hashtags and Instagram features such as IGTV and Instagram stories to reach a broader audience.

Platforms:

Facebook: Use Facebook groups and events to connect with individuals affected by substance abuse and their families, to provide support and resources, and to organize and promote awareness events. Use Facebook ads to reach a wider audience and encourage them to attend these events.

Platforms:

Website: Create a website that links all the relevant content, resources and help. Compile and categorise all content in one place. Start a series of blogs on substance abuse, recovery, and the importance of seeking help and rehabilitation. Share the blog posts on social media to reach a wider audience.

Tactics:

Partner with rehabilitation centers and counselors to provide resources and support.

Organize awareness events such as workshops and seminars for the community, featuring guest speakers and panel discussions.

Tactics:

Create a social media contest to encourage people to share their personal stories of recovery and inspiration.

Collaborate with schools and educational institutions to include substance abuse education in their curriculum.

Tactics:

Target Audience: Indian public affected by substance abuse or those who are looking for support and resources for recovery, families and friends of individuals affected by substance abuse.

Scalability

Measurement of success:

- Number of social media interactions (likes, comments, shares)
- Number of events attended
- Number of blog views
- Number of people seeking help or reaching out for support.

Our greatest glory is not in never failing, but in rising up everytime we fail.
